Governmental aid is extended to students in the form of guaranteed loans, or a combination of guaranteed loans and bursaries according to the applicant's requirements. The plan is designed to give increased aid to those with greater needs. A student is eligible who:

- is a Canadian citizen or Permanent resident;
- is domiciled and has resided in their respective Provinces and meets the government regulations in regards to residency;
- has submitted an application, in their respective province, by the required date, in which requirements of a financial nature have been established by that province.

All students coming to Bishop's University have to apply for these loans through their province of residency. The home province determines final eligibility and the University has no say in any funding calculated.
